Step 3

What happened?

I sent an initial complaint dated 2/14/22 with the inaccuracies that are being reported differently across Experian and Equifax. They (Snap-On Credit) received that letter with certified returned receipt on 2/18/22. Their response was a "canned" response that all is well and they are reporting out accurately. A second letter was sent today (3/17/22) certified signature required with further violations highlighted. I hope they they cure the deficiencies by fixing or deleting the inaccurate items as required by Law.
